

Stay Safe From a Distance

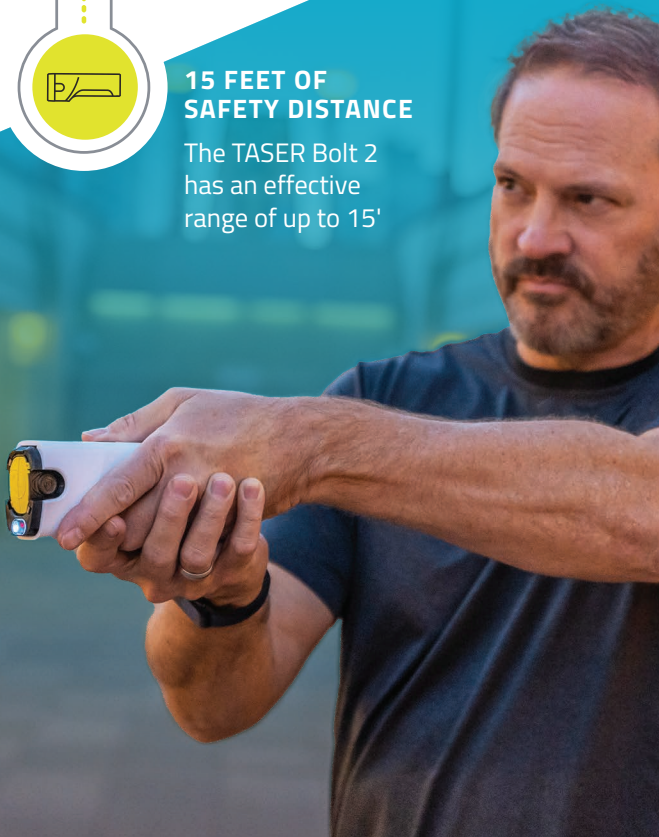

Developed by public safety's most trusted partner, the TASER Bolt 2 provides the latest in personal protection and self-defense.

THE BOLT 2 IS IDEAL FOR:

- Convenient safety when commuting, exercising and everyday errands
- Protection in places where firearms are not allowed

15 FEET OF SAFETY DISTANCE

The TASER Bolt 2 has an effective range of up to 15'

ACCESSORIES

TASER Holsters

Carry your TASER device easily in your waistband, pocket or bag with a holster made from lightweight materials.

Two-Pack of Live Cartridges

Always be prepared with two extra cartridges, perfect for training.

SAFE ESCAPE

Product Replacement Guarantee

When a **StrikeLight** Series, **Bolt** Series, or **Pulse** Series device is used in self-defense, the weapons may be deployed and left behind providing the user with a window of opportunity to get to safety and contact law enforcement. Axon will replace the civilian model device free of charge, with the same or like product, at Axon's option, within one year following the event.
