

# TASER PULSE 2

TASER Pulse is an effective, less-lethal defense tool that can immobilize attackers for up to **30 seconds**. Packing the same knock-down punch **trusted by law enforcement**, it was built with civilian self-protection in mind. Weighing in at just 8 ounces, this high-tech, intuitively designed device is revolutionizing the self-defense market.

## ADVANTAGES

### FULL MUSCLE LOCK-UP

Immobilizes an attacker **for up to 30 seconds**, allowing you precious moments to reach safety.

### SAFETY FROM A DISTANCE

15-foot range keeps **safe space** between you and danger. Plus, **contact stun** for close encounters.

### SAFE ESCAPE REPLACEMENT

Leave your TASER device and find safety! We'll **replace it free of charge** if used in self-defense.
